

## Tonight I'll Be Staying Here With You (live)

You Am I

Throw my ticket out the window.  
Throw my suitcase out there too.  
I throw my troubles out the door  
I don't need them anymore  
for tonight I'll be staying here with you.  
I should have left this town this morning  
But it was more than I could do.  
'Cause you're loving me so strong  
And I've been waiting oh so long  
For tonight, when I'll be staying here with you.  
Is it really any wonder  
The love a stranger can receive.  
You cast your spell and I went under  
That's why it's so difficult to leave.  
I can hear that old train whistle blowing.  
Can see that station master too.  
If there's a poor boy on the street  
Let him have my seat  
'cause tonight I'll be staying here with you.  
Throw my ticket out the window.  
Throw my suitcase out there too.  
I throw my troubles out the door  
I don't need them anymore  
'cause tonight I'll be staying here with you.
