

Giant Hands

You Say Party! We Say Die!

What I picture when I close my eyes
These giant hands high in the sky
The wind waited strong and wide
They're bigger than your lies
Bigger than your lies
Bigger than your lies
Bigger than your lies
Lies
Lies
Lies
Lies
I'm ready to draw the line
A circle or a mine
Where I am safe
You cannot doubt the sign
Now I try to look up
I open my eyes are desperate
To see my giant hands, my giant hands
My giant hands, my giant hands, my giant
Hands
Hands
Hands
Hands
Hands
(It's only when I close my eyes)
Hands
(It's only when I close my eyes)
Hands
(It's only when I close my eyes)
Hands
(It's only, it's only)
Open, waiting
Strong eyes
they're bigger lies
They're bigger lies
They're bigger lies
They're bigger lies
they're bigger lies
They're bigger lies
They're bigger lies
They're bigger than your lies
