I got 10 grams of strong in the rap corner  
Yo bitch jumped in my car with no drawers on  
You still got it cause you got babbage man I'm out going  
I'm iced out but I ain't even got it all on  
Uncle Tommy keep a back up plan to fall on  
I'm doing shows but still got 5 plugs to call on  
My favorite tool was the scale before the microphone  
Post up in yo hood with the sack and treat it like its home  
Fuck the rap game its full of flodgin' ass niggas  
I came from the hood with nothin' but robbin' ass niggas  
Most of these niggas lame as fuck, I never had no cake  
Yet everyday my birthday that's why we celebrate

If I ain't selling weed, I'm skipping school with a bitch  
Guess who baby mama DM me say "you the shit"

Yeah you a career rapper but I really know you a bitch  
These rappers mad at me they asking what's the big deal  
To get where I'm at, These suckers signed 6 deals
