

# Feet Up

Young Dolph

Somebody give me a lighter  
Yeah, uh-huh

I'm in the hot tub smokin' with my feet up  
Cut off them fake niggas and told 'em I don't need 'em  
I bow my head and say a prayer before I re-up  
I got 5 ounces of drank in my one meter  
Play with fire and get your ass burnt like Ether  
Pass me that fire so I can light this reefer  
In the coupe at the red light smokin' like it's legal  
In the coupe at the red light smokin' like it's legal

I'm in somethin' fast doin' donuts in this bitch  
My bitches bad and you know I like 'em thick  
I just came to drop some swag then I dip  
I'm still smokin' out the bag, that's how I live  
My last name shoulda been Banks like Uncle Phil  
My pinky ring match the watch, the watch match my ears  
I'm pourin' up Promethazine on the Leer  
All that ass over there? Tell 'em I'm a come here  
Alexander McQueen, the girl got a big blunt kush behind my ear  
I can't relate to the fake, most of these niggas snakes  
I'm only smokin' on gelatto because I love how it tastes  
100 thou around my neck so that.40 on my waist

Roll it up and light it, did all that while I'm drivin'  
To these bitches I'm a dog, in the trap I'm a savage  
Bought another foreign and took it to go get matted  
Just met her yesterday and she callin' me baby daddy  
I'm on Codeine, she drinkin' raw  
I just went and bought another charm  
And another watch for my other arm  
I got pussy niggas out here prayin' for my downfall  
All this ice on me got me shinin' like Armorall  
Hall of famer in the trap, got my plaque on the wall  
Everybody with you a pussy, I don't fuck with none of y'all  
I just spent 1000 dollars on designer draws  
I don't stop for the police, nigga fuck the laws  
Nigga fuck the law
