

No Sleep

Young Dolph

Got the glock on me I don't talk homie
Big face and it say it's 2 o'clock homie
Got the glock on me I don't talk homie
Big face and it say it's 2 o'clock homie
Got the glock on me I don't talk homie
Big face and it say it's 2 o'clock homie
In the AM, late night,
I'm just countin this dirty money getting this cake right

My niggas round the corner sellin straight white
Them young niggas starving so yeah they robbin
Hard top Versace sneakers and a pair of Robins
400 dollar polo sweater, he look like Bill Cosby
I mowed my front yard in a pair of Pradas
Blow the whole zip with a pair of models
I go hard on these drugs but I don't pop molly
All I smoke is BJ Armstrong I don't puff Bobby

I ain't have no sleep
I just be getting geeked, I ain't have no sleep
I ain't have no sleep
I just be getting geeked, I ain't have no sleep
No sleep, I ain't have no sleep
I just be getting geeked, I ain't have no sleep
No sleep, I ain't have no sleep
I just be getting geeked, I ain't have no sleep

I gave my niggas 9 pounds, and kept one to smoke
That extra stupid, straight west coast
King shit, smoking on that Sacramento
Police ass nigga I call em Carl Winslow
Drinking yellow tuss, smoking purple
Pouring up purple, smoking Skywalker
In the 2 seater creepin with somebody daughter
Tomorrow I guarantee that pussy gonna be out of order
4 am still going hard,
Phone ring, I look down, it's my foreign broad
Different language, pretty girl, Ethiopian
She asked me what I'm doing, I said I'm just drankin and smoking
What the hell you doing?

I ain't have no sleep
I just be getting geeked, I ain't have no sleep
I ain't have no sleep
I just be getting geeked, I ain't have no sleep
No sleep, I ain't have no sleep
I just be getting geeked, I ain't have no sleep
No sleep, I ain't have no sleep
I just be getting geeked, I ain't have no sleep
