

# What You Talkin' Bout

Young Jeezy

When I done it you know I did it to death  
So sit back 'n hold ya breath  
I don't know 'bout dem, I really ran these streets  
So listen up this shit get deep

You know I'm smokin' the best, I ain't got to brag  
The young fly nigga with tha Georgia swag, yeah  
The seats swede so is the pipe  
And try tell Minisota, show us tha Vikings

Inside so soft can't believe, it's not butter  
Snowman bitch did I stu stu studder  
Came straight from the hood, right to the big screen  
The way da boy ball we'll swear he had hoop dreams

No grants, no scholarships  
Had to make my own way, I still stake dem chips  
The homie from the block put me down with da knowledge  
Straight to tha pros, ya I swerve past college

(What you talkin' bout)  
Livin' my life 'n I'ma get it all no matter the price  
When I did it you know I done it da best  
Sit back and just hold ya breath, just hold ya breath

(What you talkin' bout)  
Changin' the game in show you how these rappin' ass niggas is lames  
When I did it you know I done it da best  
Sit back and just hold ya breath, just hold ya breath

They say da blacker the berry, the sweeter the juice  
I say the blacker the rims the sweeter the Coupe  
The money goes out that sack comes in  
I can't even lie I do it all again

I flip the rap game just like the work  
And it was snow white just like my shirt  
Counted so much paper, seen so many haters  
Seen bricks stacked tall as sky scrapers

Goddamn dats high  
Done everything I said so I am that fly  
Every dude was a troop tell me who came realer  
The word on the street is that I'm still that nigga

(What you talkin' bout)  
Livin' my life 'n I'ma get it all no matter the price  
When I did it you know I done it da best  
Sit back and just hold ya breath, just hold ya breath

(What you talkin' bout)  
Changin' the game in show you how these rappin' ass niggas is lames  
When I did it you know I done it da best  
Sit back and just hold ya breath, just hold ya breath

Between love 'n hate there's a thin ass line  
I think we all can agree last summer was mine

And if ya don't say my name, den you wastin' ya time  
And if I don't rub my watch, then I'm wastin' my shine

Spend a hundred on a homie, den sit tha time  
A few mill before the deal and I'm still on da grind  
The cridits criditsize me 'cause a nigga talkin' yay  
I ain't suga coati'n shit this is who I am

Nigga you been to da A, seen me makin' it rain  
Seen it wit ya own eyes you know dis shit ain't a game  
So you niggas listen closely to what I'm sayin'  
If ya game ain't money den I ain't playin'

(What you talkin' bout)  
Livin' my life 'n I'ma get it all no matter the price  
When I did it you know I done it da best  
Sit back and just hold ya breath, just hold ya breath

(What you talkin' bout)  
Changin' the game in show you how these rappin' ass niggas is lames  
When I did it you know I done it da best  
Sit back and just hold ya breath, just hold ya breath
