

## Sheep Tick

## Young Knives

In this music is  
Housed all my disappointment

Cruelty, I let you back in  
I'm wondering why  
Cruelty, I let you back in  
I'm wondering why, I'm wondering why

Let's celebrate!  
Let's never celebrate!  
Wow!

I am lead to rebel  
I am left unfulfilled  
No matter how hard I try  
There's no urgency at all

In this music is  
Housed all my disappointment

Searching for a new colour  
Only to find your grey, grey, grey face  
A sheep tick in a dark place  
And you can't hide  
You're just waiting for a good time to escape

Baby doll

I've been bad to you  
Baby doll  
There is nothing I can do  
Baby doll  
How awful for you

In this music is  
Housed all my disappointment

Cruelty, I let you back in  
I'm wondering why, I'm wondering why

Searching for a new colour  
Only to find your grey, grey, grey face  
A sheep tick in a dark place  
And you can't hide  
You're just waiting for a good time to escape  
That's how it goes, I suppose  
Baby doll, baby doll  
A new colour  
And you can't hide, you can't hide  
You're just waiting for a good time to escape
