The marathon continues through his daughter and son

I ain't gon' say you lacked 'cause you ain't have no strap

Killed you at your store and you worked hard for that

Every day I stay dangerous

I been ridin' to that YG, Nip, Nip

Why they kill my nigga Nipsey?

He a real young OG, Street

[Chorus]

Neighborhood Nip, Neighborhood Nip (Yeah)

It's dangerous in the neighborhood (Jugg)

[Verse 2]

Money bring jealousy, take you places you never see

Ridin' to that Marathon, I'm playin' seven days a week

Ain't comfortable in no studio unless Rob, Low, or Flock with me

I don't trust promoters, when I do a show I bring the block with me

The streets doin' it for Nipsey, the streets doin' it for Nipsey

You brought the Bloods and Crips together, you know that's a legacy

The streets doin' it for Nipsey, the streets doin' it for Nipsey

You brought the Bloods and Crips together, you know that's a legacy

[Chorus]

Neighborhood Nip, Neighborhood Nip (Yeah)

It's dangerous in the neighborhood (Jugg)

Neighborhood Nip, Neighborhood Nip (Nip)

Money bring jealousy in the neighborhood

Neighborhood Nip, why they kill Nipsey? (Yeah)

He f*cked with me, I made Freebandz in the 60s (No cap)

Neighborhood Nip, Neighborhood Nip (Jugg)

Money bring jealousy in the neighborhood (Yeah)

[Outro]

Every day I stay dangerous
I been ridin' to that YG, Nip, Nip
Why they kill my nigga Nipsey?
