Play it

Well this is why-a-why-a-why
Well this is why-a-why-a-why
Well this is why-a-why-a-why

Who you loyal to? Me or us?
Who you trust the most? Me or us?
Who you wanna fuck every night? Me or us?
Who you wanna take on your flight? Me or us?
Ow!

You the one that said you were doin' it
And you said you were doin' it, you're doin' it, you're doin' it
You say that what you're doin', you're doin', you're doin'
You told me that what, what you're doin', you're doin', you're doin'
But what you do if your brother left you?
What would you do if them niggas came for you?
You better pursue (watch out)
I just spent 10 racks on a dog from Germany, no Purdue
Oops, I meant Dupree, jury sittin' on their seat
Yeah, yeah, yeah
I wanna know, tell me, lil' baby, I wanna know
I wanna know
I got the show, fuck my show, be my show
What
I got them loafs, I'm with Metro, he got some more
Yeah, I don't gotta talk
Nigga, my jewelry, it can say more, hey
You smoke that kush and man I'm so good and I want some cookies
Fuck on your daughter, fuck on my brother
Now she gon' diss you
I got them racks, I was just buyin'
You was just lookin'
I bought her diamonds and she just smilin'
She think she tooken, but
This one is all for my fans
I'm smokin' pow-wow in Japan
Blacker the berry, drink my cran
Bae you dig it? Understand

Well this is why-a-why-a-why
Well this is why-a-why-a-why
Well this is why-a-why-a-why
