I woke up around two
The sun was shinin' on me
Pressed my jeans, cleaned my shoes
Filled up the ride and floored it
Top dropped down, vibe on cool
Let's see what flavors roamin'
'Cause I don't wanna be with nothin' and I don't feel like push in'
Nothin' short of the red line, the spot is hot now
Call my crew 'cause they know how to party
Got to make sure I'm smooth, dressed to impress I'm 'bout it
All I wanna do is ride

So let's roll, you know,
How, we do, when I'm in a state of mind to cruise It's so simpl
e
Put the pedal to the steel and let it go

Cruzin' with my homies, Youngstown in full effect,
Gotta go and cash my check, and find something to do
But for now we're
Ridin',
Slidin' havin a good time
Just so sublime, findin' peace of mind, in my ridin' time.
Radio's playin' my favorite song, tell my buy to turn it up
The day is short but the road is long, so lets burn it up
When the sun goes down that's okay, keep ridin' away,
It's been one hell of a day, doin' things my own way
