

Always Forever

Youth Alive

Take my heart my soul, Lord
All I am
I surrender
Shape my mould me use me
As You can
This is what I am
Father let me serve

Always forever
I'll place my life within Your hands
Lord I'm Yours
Always Forever
You'll be the rock on which I stand
You are everything to me

All my hopes my dreams
I lay them down
Here before You
May my life fulfil
All You have planned
It's my purpose
Father let me serve
