Forever Young

Youth Group

Let's dance in style, let's dance for a while Heaven can wait we're only watching the skies Hoping for the best, but expecting the worst Are you gonna drop the bomb or not

Let us die young or let us live forever We don't have the power, but we never say never Sitting in a sand-pit, life is a short trip The music's for the sad men.

Can you imagine when this race is run Turn our golden faces into the sun Praising our leaders, we're getting in tune The music's played by the mad men

Forever young, I want to be forever young
Do you really want to live forever, forever, forever?
Forever young, I want to be forever young
Do you really want to live forever, forever, forever?

Some are like water, some are like the heat Some are a melody, some are the beat Sooner or later they all be gone Why don't they stay young?

It's so hard to get old without a cause
I don't want to perish like a fading horse
Youth is like diamonds in the sun
and diamonds are forever

So many adventures couldn't happen today So many songs that we forgot to play So many dreams swinging out of the blue We let them come true

Forever young, I want to be forever young
Do you really want to live forever, forever, forever?
Forever young, I want to be forever young
Do you really want to live forever, forever, forever?

Forever young, I want to be forever young Do you really want to live forever, forever, forever?

Forever young, I want to be forever young Do you really want to live forever, forever, forever?
