

## Another One

Yuck

Not gonna waste my time  
Not gonna waste my time  
I don't wanna hurt you  
Not gonna settle down  
Not gonna settle down  
I don't wanna call you  
I don't wanna call you

Got down on my knee  
Settle down to you  
Everyone can see  
It's my time!

Not gonna take my songs  
Not gonna take my songs  
And I don't wanna bend you  
Not gonna take my side  
Not gonna take my side  
I don't wanna change you  
I don't wanna change you

Got down on my knee  
Settle down to you  
Everyone can see  
It's my time!

Got down on my knee  
Settle down to you  
Everyone can see  
It's my time!

'Til I find another one!
