I'm just a dogboy, dreamboy, ghostboy
I'm just a dogboy, dreamboy, ghostboy
I'm just a dogboy, dreamboy, ghostboy
I'm just a dogboy, dreamboy, ghostboy

I'm just a dogboy, dreamboy, ghostboy
Chase-what-I-want-boy
Death, I can smell
Life is a playground, play with my gravestone
Take me and eat mine, let it shine
Life is a playground, play with my gravestone
Take me and eat mine, let it shine
I'm just a dogboy, dreamboy, ghostboy
Chase-what-I-want-boy
Death, I can smell
Life is a playground, pl-play with my gravestone
Take me and eat mine, let it shine

I'm just a dogboy, play around (Play a-play around)
Life is my playground, I stay around (Stay around)
Heart made of plastic, let it shine (Yeah, yeah, yeah)
Ghostboy life, think I'm 'bout to lose my mind (Yeah, yeah, yeah)
Old ex in my ear and my friends are gone (Gone, gone, gone)
Good dog, tell me what you want
Tell me what you want (Tell me what you want)
Smile 'cause I have to, smile 'cause you want
Believe 'cause you want to, but I don't
Breathe 'cause you have to, I don't care at all
Because I'm a dog

I'm just a dogboy, dreamboy, ghostboy
Chase-what-I-want-boy
Death, I can smell
Life is a playground, play with my gravestone
Take me and eat mine, let it shine
Life is a playground, play with my gravestone
Take me and eat mine, let it shine
