Even if we're, miles, and miles, and miles apart! All, I wanna do, is be with you, be with you There's nothing we can do Eww I just wanna be with you

```
No matter where life takes us, nothing can break us apart
A-a-achoo!
I just wanna be with...
Eww
You!
You know how life can be, it changes over night
The sun even raining, but it's alright
A friend like you
Always makes it easy!
I know that you get me
Every time
Through every up, through every down,
You know i'll always be around
Through anything, you can count on me!
All I wanna do, is be with you, be with you
There's nothing we can do, I just wanna be with you, only you
No matter where life takes us, nothing can break us apart
You know it's true
I just wanna be with you! I just wanna be with you!
The sun will always shine, that's how you made me feel
We're gonna be alright, 'cause what we have is real
And will always be together
All I wanna do, is be with you, be with you
There's nothing we can do, I just wanna be with you, only you
No matter where life takes us, nothing can break us apart
You know it's true
I just wanna be with you!
All I wanna do
All that I wanna do, is be with you!
All that I wanna do, is be with you!
All that I wanna do, I just wanna be with you!
All that I wanna do, I just wanna be with you!
