

## What I've Been Looking For (Reprise)

Zac Efron

It's hard to believe that I couldn't see  
you were always there beside me

Thought I was alone with no one to hold

But you were always right beside me

This feeling's like no other  
I want you to know  
That I've never had some one  
That knows me like you do  
The way you do

And I've never had some one  
As good for me as you  
No one like you  
So lonely before  
I finally found  
What I've been looking for

hoooo ooooh ooooh oooo
