

Now look!

Cause I don't want to play your game by the book  
You know you have captured me with your hook  
Why don't you just take another look

Cause you!

You are everything I'm searching for  
Before you always wanted more  
Now I see you are the final score  
You know you're the one for me  
You know you're my ecstasy

Cause i

I don't know what to do or say  
I want to see you night and pay  
But I guess is the price I pay

Alright

I want to love you through the night  
You know that you always do it right  
With you I have reached the highest height  
You know you're the one for me  
You know you're my ecstasy

Now look!

Cause I don't want to play your game by the book  
You know you have captured me with your hook  
Why don't you just take another look

Cause you!

You are everything I'm searching for  
Before you always wanted more  
Now I see you are the final score  
You know you're the one for me  
You know you're my ecstasy
