Invitation

Zandelle

Come now and listen to legends and history Heroes and demons and devils and gods Come hear our stories of valor and infamy Tales of the past that was both near and far

Hear now our songs as they take you to distant lands You will find that our tales will enchant you Enter our world do not fear we shall be your guides As you journey through our realm of legends

Ancient tales, stories of honor Tales of revenge on land and on sea Creatures of myth, hoarding of treasure The end of days, and mystery
