

Killing Cupid

Zao

It blinds my eyes to see you,
It bleeds my hands to touch your face,
It burns my ears to hear you,
It mutes my tongue to say your name.

It blinds my eyes to see you,
It bleeds my hands to touch your face,
It burns my ears to hear you.

Pulling out arrows,
From my calloused heart. (4x)

Pulling out arrows,
From my calloused heart. (4x)

Pull out the arrows,
From my heart. (4x)

It blinds my eyes to see you,
It bleeds my hands to touch your face,
It burns my ears to hear you,
It mutes my tongue to say your name.

It blinds my eyes to see you,
It bleeds my hands to touch your face,
It burns my ears to hear you.
