

I'm a villain and a beast  
A monster underneath your sheets  
Cause I'm not exactly who you think I am  
I'm a giant and a ghost  
I disappear before you know  
But tonight I'm gonna hold you in my hands  
I don't want you scared at all analyzing when we talk  
So my lips have sealed the way I feel inside

Cause what's done is done  
Isn't done yet  
Nothing's imminent  
But I think about it every minute  
Of everyday  
Of everyday  
Enough is enough  
But I'm not giving in, yeah  
Even if it  
Since I'm over the edge  
Cause everybody has, a darkside  
And I'm across never meant to be the bad guy  
But now I'm lost  
Now, I don't wanna waste your time  
Or piss you off  
Cause everybody has a dark side

I'm the devil and I'm cursed  
It feels like every moment's worse  
I would sell my soul  
To make this go away  
There's a good to every bad  
Here's the thing now, understand  
I believe that we can make a change

What's done is done  
Isn't done yet  
Nothing's imminent  
But I think about it every minute  
Of everyday  
Of everyday  
Enough is enough  
No I'm not giving in, yeah  
Even if it  
Since I'm over the edge  
Cause everybody has a darkside  
And I'm across, never meant to be the bad guy  
But now I'm lost  
Now, I don't wanna waste your time  
Or piss you off  
Cause everybody has a dark side

Before we need a second chance  
There's the one we have  
But I know that you and I  
Are pulling away  
Everybody has a dark side  
Everybody has a dark side

Ooooh I don't wanna end this on a low  
I only wanna fix it cause it's broke  
I don't wanna take one for the road  
Cause we'll make us whole  
Everybody has a darkside  
And I'm across never ment to be the bad guy  
But now I'm lost  
I don't wanna waste your time  
Or piss you off  
Cause everbody has a dark side

Before we need a second chance  
There's the one we have  
But I know that you and I  
Are pulling away

Everybody has a darkside  
Everybody has a darkside
