

If You Gimme Smile

ZARD

If you gimme smile
Daichi ketobashi kumo no nagare ni
Wasureyou toukai no zetsuon

Nee chiheisen hirogaru
Aoi winding road
Oh, 25 mairu minami e ikou
Chiisana bosuton baggu hitotsu de
Atsui kaze ni singing out

If you gimme smile
Nante chippoke na yume datta no
Koi nante kisetu no booda rain
Won't you gimme smile
Jinsei no chizu ni koin nagete
Kakete miyou yo jibun ni
So you can dream

Last night tekiira no
Nigasa ni kodoku aishi
Genjitsu ni me ga samete taiyou no shawaa
Shigarami sutete ashita wo sagasou
Jiyuu ni ikite mitai ne

If you gimme smile
Daichi ketobashi kumo no nagare ni
Wasureyou toukai no zetsuon
Won't you gimme smile
Koi wa ruuretoo meguri meguru
Ki no ii kazoku ga koishii
So you can dream

If you gimme smile, I'm on your side
Tomorrow we'll be all right
We can take a chance so baby try now

Won't you gimme smile
Jinsei no chizu ni koin nagete
Kakete miyou yo jibun ni
So we can dream
