

Rainberry

Zayn

Rainberry, please
You think I'm on my knees
But don't you worry
I know what you don't know oh oh

Don't even start
The truth won't break my heart
No, don't you worry
I already know oh oh

Too many bones inside your closet
You thought you buried deep
But they never let me get a minute of peace
How do you sleep? Ooh

Rainberry
Falling down your blood-red lips
Why are your eyes heavy?
Is there somebody else you missed?
Tell me what's going on
Before I go too far
Said, Rainberry
Is there somebody else
Somebody else now?

Dry your eyes
'Cause it won't work this time
I already dried mine
And I won't drown in yours
Go wash your hands
But you can't change your past
Those stories ain't shit now
You don't mean it, I'm sure

Too many bones inside your closet
You thought you buried deep
But they never let me get a minute of peace
How do you sleep? Ooh

Rainberry
Falling down your blood-red lips
Why are your eyes heavy?
Is there somebody else you missed?
Tell me what's going on
Before I go too far
Said, Rainberry
Is there somebody else
Somebody else now?

Rainberry, please...
Rainberry...
Rainberry, please...
Rainberry...

Too many bones inside your closet
You thought you buried deep
But they never let me get a minute of peace

How do you sleep

Ooh, Rainberry
Falling down your blood-red lips
Why are your eyes heavy?
Is there somebody else you missed?
Tell me what's going on
Before I go too far
Said, Rainberry
Is there somebody else
Somebody else now?
