Zayn

Blurry TV screens  
Fuzzy broken scenes  
Finding words don't have flow  
Blurry TV screens  
Fuzzy broken scenes  
Hold her close finding love

Hearts don't feel the same  
And the names we like to say  
Change with time and age

So I  
I don't wanna say what's scripted  
Whether you are or aren't with it  
I know what I need  
'Cause I  
I don't wanna say what's scripted  
Whether you are or aren't with it  
I know what I need

Hearts don't feel the same  
And the names we like to say  
Change with time and age

So I  
I don't wanna say what's scripted  
Whether you are or aren't with it  
I know what I need  
'Cause I  
I don't wanna say what's scripted  
Whether you are or aren't with it  
I know what I need

You'd still remember my eyes  
Even if the Men In Black flashed  
Their light into your eyes  
For the second time this night  
It feels right when it's, only you and I

Oh, you and I  
Oh, you and I  
Oh, you and I  
Oh, you and I

So I  
I don't wanna say what's scripted  
Whether you are or aren't with it  
I know what I need  
'Cause I  
I don't wanna say what's scripted  
Whether you are or aren't with it  
I know what I need
