Turn the TV off Turn me on Disbelief confidence is gone You can take all this from me Stands my integrity (now) I'm so sick of mother fuckers Crooked wars that they wage Should I sit and count the seconds till were all blown away? Sex, tyrants, violence on the news everyday Ignorance turned anger into hate Turn away Strength in diversity, unity, and evolution (4x)Revolution Now you're gone and it's forever Nothing is the same Right to wrong we'll come together Time to make a change Turn the TV off Turn me on Disbelief confidence is gone You can take all this from me Stands my integrity (now) And these wars that we wage Why? An eye for an eye So I lock, load, engage Casualty- high supply We'll be missing all our friends who die to get us by Courage facing fear Hate increase decline Strength in diversity, unity, and evolution (4x)

Strength in diversity, unity, and evolution (4x)
Revolution
Turn the TV off
Turn me on
Disbelief confidence is gone
If you take all of this from me
Then all of you can . . . (come together)
