

Riverside Road

Zeca Baleiro

I said that love is like
An obscure maze
I walk downcast
And I got the train
The gray sky that morning once move of haze
I sang as a blind a bird
That seems it's pain

The sunshine is inside my heart
And I follow the trail of smile
The ? I carry over
I remember it once in a while

Now
I'm walking through the alley
On a cloudy day
I can get to the top of the hill
I'm lost in a strange city
And my home is far away
Nobody knows who I am or how I feel

I'll go back by Riverside Road
And nothing I left I will find
I'm sure that ?

To die, to love, to live
Nevermind
I'm crying in the middle of the movie
I'm tryng hard to hold my tears inside
My tears inside
I'm crying in the middle of the movie
I'm tryng hard to hold my tears inside
My tears inside

I'll go back by Riverside Road
And nothing I left I will find
I'm sure that ?
To die, to love, to live
Nevermind
I'm crying in the middle of the movie
I'm tryng hard to hold my tears inside
My tears inside
I'm crying in the middle of the movie
I'm tryng hard to hold my tears inside
My tears inside
