

Blood Music

Zeromancer

Lowlifes on gossip
Bypass the mind
Head for the heart

Do you feel love?

It's not like I don't care
We are not going anywhere
Thinking loud and clear
Where will I be in a year?
Two hearts slamming
As one
It's Blood music

Pop up leeches
You know a climax ain't the end of it

Do you feel love?

It's not like I don't care
We are not going anywhere
Thinking loud and clear
Where will I be in a year
Come on
Two hearts slamming
As one
It's Blood music
