

Doppelgänger I Love You

Zeromancer

How can I save you
When I can't even save myself
Oh, you want me
A number of different ways

Feel me, fuck me, hurt me, love me,
Hate me, save me, kill me

Feel me, fuck me, hurt me, love me,
Hate me, save me, kill me

Doppelgänger I love you
My pain is your pain
Your pains are my pains
Your chains are my chains, too..

How can I save you
When I can't even save myself
Now you want your
Own sick requiem

Cry, don't you?
Oh, you want to..

Feel me, fuck me, hurt me, love me,
Hate me, save me, kill me

Feel me, fuck me, hurt me, love me,
Hate me, save me, kill me

Doppelgänger I love you
My pain is your pain
Your pains are my pains
Your chains are my chains, too..

Doppelgänger I love you
My pain is your pain
Your pains are my pains
Your chains are my chains, too..

How can I save you
When I can't even save myself
How can i save you
When I can't even save myself

Doppelgänger I love you
My pain is your pain
Your pains are my pains
Your chains are my chains, too..

Doppelgänger I love you
My pain is your pain
Your pains are my pains
Your chains are my chains, too..
