Zola Jesus

Blisters on my hands  
Cannot feel the doors or floors  
I got cysts, yeah, in my head  
Telling to me to take a blow  
Telling me to let it fade

Sicker in the daytime  
Safer on the inside

Oh, I know I'm home  
Oh, I know I'm home

Fingers in the air  
Grabbing! Falling! Swallow!  
Lingering by the stairs  
Doubt I won't follow

Oh, I know I'm home  
Oh, I know I'm home

Sicker in the daytime  
Safer on the inside

Oh, I know, I'm home

Keeps me awake now  
Keeps me restless  
Fools blood from the powder[?]

Oh, I know I'm home  
Oh, I know I'm home

Sicker in the daytime  
Safer on the inside

Oh, I know I'm home
