

Somewhere in a lonely hotel room  
There's a guy starting to realize  
That eternal fate has turned its back on him  
It's two a.m...

Well it's two a.m., the fear has gone  
I'm sittin' here waitin', the gun still warm  
Maybe my connection are tired of takin' chances  
Yeah there's a storm on the loose, sirens in my head  
Wrapped up in silence, all circuits are dead  
Cannot decode, my whole life spins into a frenzy

Help I'm steppin' into the twilight zone  
Place is a madhouse, feels like being cloned  
My beacon has been moved under moon and stars  
Where am I to go, now that I've gone too far  
Soon you will come to know, when the bullet hits the bone  
Soon you will come to know, when the bullet hits the bone

I'm falling down a spiral, destination unknown  
Double-crossed messenger, all alone  
Can't get no connection, can't get through, where are you  
Well the night weighs heavy on his guilty mind  
This far from the borderline

And when the hit man comes  
He knows damn well he has been cheated

Help I'm steppin' into the twilight zone  
Place is a madhouse, feels like being cloned  
My beacon has been moved under moon and stars  
Where am I to go, now that I've gone too far  
Soon you will come to know, when the bullet hits the bone  
Soon you will come to know, when the bullet hits the bone

Help I'm steppin' into the twilight zone  
Place is a madhouse, feels like being cloned  
My beacon has been moved under moon and stars  
Where am I to go, now that I've gone too far  
Help I'm steppin' into the twilight zo  
Place is a madhouse, feels like being cloned  
My beacon has been moved under moon and stars  
Where am I to go, now that I've gone too far  
Soon you will come to know, when the bullet hits the bone  
Soon you will come to know, when the bullet hits the bone
