

Let's Move Back to Front

Zulu Winter

Swoom around the fateful flames
with your ham hands
and dance till you don't know your name
and see , sung we're all the same

Keeping it by the fire
swallowing swirls of dust
keeping it by the fire
lets move back to front
lets move back to front
lets move back to front
lets move back to front

Mind , mind the kindle fire
of his dark heart
and mind , the blithering black of day
that come , and creeps and steels the play

Keeping it by the fire
swallowing swirls of dust
keeping it by the fire
lets move back to front
lets move back to front
lets move back to front
lets move back to front

Darling come closer
see this man dancing
he's sick and he's savage
his love is apauling

Darling come closer
see this man dancing
he's sick and he's savage
his love is apauling
